Sr. No.	I have learned a great deal in my study.	I am well prepared for employment in my field.	The course work in my study met my expectation.	Modern management tools were incorporated into my class and or laboratory activities.	5 classrooms were conducive & adequate to support teaching and learning activities.	The computer and laboratory equipment and facilities were satisfactory and adequate.	Faculty was available for assistance with my educational process	The overall quality of teaching and learning activities in the programme was good.	Academic coordinator was available to help and they met my needs.	I would definitely recommend the programme to others.
